Mr. Chamberlain,

I am pleased to announce I will be extending the MOU expanding the small works scope for Hotels and Solar projects for another year. As was previously stated the small works memorandum is not applicable if a specialty agreement applies to the specific work or jobsite; and if it is registered with the NECA Chapter Office (i.e. the NMA, GPA, PLA or other Building Trades Agreement, etc.).

**Note: This Addendum does not apply to jobs covered by Federal or State prevailing wage laws.**

The term will expire on 11/3/19 unless renewed by the Business Manager.

Please notify all contractors and thank you for your time.
